HIS HIGHNESS THE YUVARAJA OF MYSORE,

M Y S O R E.

GRACIOUS HIGHNESS,

Though somewhat late, please allow me to address this letter to offer my humble felicitations on Your elevation to the place of Your father, His Highness the Yuvaraja, who was so dear and near to the heart of both young and old, and his cutting off from our midst while in the prime of his life, has deprived a parent to all the citizens of Mysore.

But yet your elevation to replace him is indeed a great boon to us and particularly so to me, as I have had the rare fortune to sit under the feet of the same masters to get my education with Your goodself in the college. It is a pride and honour to me to be associated in however humble capacity it be, with Your Highness. Our Highness has done us a great good in elevating You to be our Yuvaraja - which is a precursor of Your elevation to the most esteemed place of Honour - the future Maharaja of Mysore.

Please let me offer my deep and loyal gratitude to Your Highness as a citizen and a class-mate of Yours.

With deep and loyal gratitude to
Your Gracious Highness,
Your humble servant,

B. Sadasivaiah
